

Telepati

1. check that a person is angry ,sad , happy or surprised
2. then make sure that you know that what he does that when he is angry,sad,happy or surprise
3. see that guy's action

Page no.1

.e.g.some one os doing action of beating you then he is thinking that I will beat you!

Do you know

If a guy is angry then he will think also that what he does if you know that what he does if he is angry then you will know because which he wants to do if he is angry he will think also.

Page no .2

Fun at home

Which I have told steps that how to do telepeti experiment on someone
